

July 27, 2020

To Our Shareholders,

Shinji Takada,
Representative Director, Chairman
SKY Perfect JSAT Holdings Inc.

**(Correction) Partial Correction of "Notice of Convocation of
the 13th Annual General Meeting of Shareholders"**

We sincerely apologize for the partially corrected items listed in the "Notice of Convocation of the 13th Annual General Meeting of Shareholders" dated July 15, 2020, and we will inform you of the corrections as follows.

1. Correction

On page 25 of the "Notice of Convocation of the 13th Annual General Meeting of Shareholders" Business Report "1. Current status of the Group" "(1) Progress and results of the business" the third paragraph of the "Strengthening existing businesses" of the "Space Business"

2. Content of correction

The underlined part is corrected.

(Before Correction)

In order to expand the Global & Mobile Business and strengthen competitiveness, we launched JCSAT-18 (orbital slot: 150 east longitude, named JCSAT-1C once it went into service), a high-throughput satellite ("HTS"; a new type of satellite that has much greater transmission capacity than earlier models), in December 2019, and started operations from February 2020.

(After Correction)

In order to expand the Global & Mobile Business and strengthen competitiveness, we launched JCSAT-18 (orbital slot: 150 east longitude, named JCSAT-1C once it went into service), a high-throughput satellite ("HTS"; a new type of satellite that has much greater transmission capacity than earlier models), in December 2019, and started operations from January 2020.
