Change (B - A)	-	-	-	-	/
Change (%)	-	-	-	-	/
Reference: Consolidated results for prior fiscal year ended March 31st, 2020	735,284	6,840	7,407	5,269	56.50

2) Reason

The prospects for FY2020 was unavailable at the time of the original announcing point, because it was difficult for the Company to reasonably predict possible impacts the COVID-19 pandemic might cause. The announcement was based on information available as of now.

Regarding the Company's full-year results ending 31 March, 2021, a harsh business environment is expected with the impact of COVID-19 pandemic, and the business environment surrounding the Company is to be kept uncertain, Placing the top priority on controlling the damage to the full-year results, the Group will steadily implement such measures as reducing operational costs through scaling-back of the fleet in accordance with the decline in cargo volume, rationalization of vessel allocation, suspension of vessel operation and mooring of vessels, securing sufficient liquidity on hand, and asset sales intended to support the capital base.
