Business partnership with Kyoto University

Rent Guarantee Service for Foreign researchers and International students
Now available

We have formed a business partnership with the national university corporation Kyoto University (hereinafter referred to as "Kyoto University") regarding the provision of rent guarantee services.

We provide our services as a joint guarantor for foreign researchers and international students enrolled in Kyoto University when renting housing.

We will actively support international students and foreign researchers who have been forced to postpone admission from spring to autumn due to the influence of the COVID-19.
