#### Notice Concerning the Transfer of HORIZON WiFi Businesses to Vision Taiwan

Vision Taiwan (Vision Mobile Taiwan Inc.), a subsidiary of Vision Inc. (headquarters: Shinjuku-ku, Tokyo, President & CEO: Kenichi Sano, hereafter “Vision”), which operates the Global WiFi business and the Information and Communications Service business for corporate clients, acquired the Wi-Fi rental and prepaid SIM sales businesses of HORIZON WiFi TW Co., Ltd. (head office: Taiwan; representative director: Masanori Fukamachi) through business transfer.

#### ■ Background to the Business Transfer

Since its founding in 1995, Vision has been providing the information and communication services necessary for companies to run their businesses smoothly as a top-class distributor in Japan, according to the stage of each company's development.

In 2012, we started offering the Global WiFi® Wi-Fi router rental service for use overseas, and in the same year, established Vision Taiwan (Vision Mobile Taiwan Inc.) as an overseas subsidiary. Vision Taiwan provides mobile Wi-Fi routers for rent all over the world, mainly to those traveling from Taiwan to Japan.

HORIZON WiFi TW was established in March 2013 in accordance with the provisions of the Company Act of the Republic of China, and mainly operates the Wi-Fi router rental and SIM card sales businesses in Japan, South Korea, Europe, the United States, and Southeast Asia. Its brand occupies a top-ranking position in Taiwan in terms of sales.

We expect this business transfer to contribute to business growth and corporate development due to Vision Taiwan further expanding services and sales through the operation of HORIZON WiFi.
