3. Outline of restricted stock allocation agreement

The Company will conclude a restricted stock allocation agreement with the Eligible Employees respectively.

The outline of the agreement is as follows:

(1) Transfer restriction period

From October 30, 2020 until October 29, 2023, the Eligible Employees shall not transfer, arrange security interests, or otherwise dispose of any of the shares allocated to them.

(2) Condition of removal of transfer restriction period

The Company shall remove the transfer restriction of all the allocated shares when the transfer restriction period expires on condition that the Eligible Employees continuously served as Directors or Employees during the transfer restriction period. However, when an Eligible Employee leaves the position due to death or any other reasons deemed justifiable by the Board of Directors, during the transfer restriction period, the transfer restriction of all the allocated shares shall be removed.

(3) Acquisition by the Company without cost

The Company shall acquire free of charge the shares allocated of which transfer restriction has not been removed, upon expiry or removal of the transfer restriction period as stated (2) above.

The allocated shares will be managed in the dedicated account opened by the Eligible Employees at Okasan Securities, Co., Ltd. in order to ensure it is impossible to transfer, arrange security interests, or otherwise dispose of any of the shares allocated to them during the transfer restriction period.

(5) Treatment of the allocated shares at the organizational restructuring, etc.

In case organizational restructuring, such as a merger contract whereby the Company will be the non-surviving party to the merger, or a share exchange agreement or share transfer agreement whereby the Company will be a wholly-owned subsidiary to the other party, will be approved at the General Meeting of Shareholders (or by the Company's Board of Directors if such organizational restructuring, etc. does not require the approval at the General Meeting of Shareholders), the transfer restriction of all the allocated shares shall be removed as of the time immediately before the business day prior to the effective date of organizational restructuring, etc.

4. Basis of calculation and specific details of the amount to be paid

The disposition of the treasury stock will be performed based on the monetary compensation claims paid to the Eligible Employees according to the Plan. The award amount per share will be based on 402 yen, the closing price of the Company's common stock at the Tokyo Stock Exchange on October 9, 2020 to exclude arbitrariness. As this amount is the market share value on the business day just before the date of resolution of the Directors' Board of Meeting, the Company believes that the amount is reasonable, reflecting the Company's corporate value appropriately and is not particularly advantageous to the Eligible Employees, in the circumstances where no special reasons exist showing that this share price cannot be based on.
