**MARUI GROUP is ranked first in the Retailing sector in the world
in Dow Jones Sustainability Index,
a Globally Recognized Socially Responsible Investment Index,
and included in the World Index for Third Consecutive Year**

MARUI GROUP CO., LTD., announces that the Company was included in the Dow Jones Sustainability World Index, a globally recognized socially responsible investment*1 index, for the third consecutive year. The Company was also included in the Dow Jones Sustainability Asia Pacific Index, which comprises companies from the Asia Pacific region, for the fourth consecutive year.

Member of
**Dow Jones
Sustainability Indices**

Powered by the S&P Global CSA

For the first time, we have been selected as the "Industry Leader" with the highest score in our "Retailing" industry out of 61 industries.

Our inclusion in these indexes is thought to reflect the high evaluation of MARUI GROUP's practice of co-creation sustainability management, which aims to co-create value with all of the Company stakeholders and is an evolution of forward-looking sustainability management that merges business activities with environmental, social issue response, and corporate governance initiatives in an integrated manner.

Dow Jones Sustainability Index Series

The Dow Jones Sustainability Index series is a globally recognized series of indexes developed jointly by Dow Jones & Company, Inc., of the United States and RobecoSAM AG of Switzerland. These indexes select companies for inclusion by evaluating their sustainability based on economic, environmental, and social factors.

Dow Jones Sustainability World Index

The Dow Jones Sustainability World Index compiles major companies from around the world. The 2020 iteration of this index comprises 323 companies chosen from among the 2470 companies surveyed. Of these companies, 39 are from Japan, and 3 are from Japanese retailing company included.

Dow Jones Sustainability Asia Pacific Index

The Dow Jones Sustainability Asia Pacific Index compiles major companies from the Asia Pacific region. A total of 158 companies, 82 of which are Japanese companies, are included in the 2020 iteration of this index from among the 601 companies surveyed.

*1 Socially responsible investment is an investment style that entails consideration of traditional investment standards based on financial information as well as environmental, social, corporate governance, and other factors pertaining to a company's level of social responsibility.

Furthermore, MARUI GROUP has been selected for inclusion in the four ESG indexes that are utilized by the Government Pension Investment Fund (GPIF). These indexes are the FTSE Blossom Japan Index, the MSCI Japan ESG Select Leaders Index, the MSCI Japan Empowering Women Index, and the S&P/JPX Carbon Efficient Index.

Other indexes including the Company are the FTSE4Good Index Series, a globally recognized responsible investment index, and the MSCI ESG Leaders Indexes, a highly recognized global ESG stock index.
