## **Rent guarantee service to public housing of Shizuoka Prefecture is now available**

We have signed an agreement with Shizuoka Prefecture regarding the use of rent guarantee services in public housing managed by the prefecture.

The purpose of this agreement is to promote occupancy in public housing and contribute to the stability of residence by providing our rent guarantee service to those who are in trouble to find a joint guarantor.

In addition to each local government in Shizuoka prefecture, we will continue to promote agreements with local governments in other prefectures.
