100,000 sales breakthrough of "YANUSHI (Landlord) DIRECT"

The number of contracts for our main product "YANUSHI (Landlord) DIRECT" has exceeded 100,000 since the start of sales.

"YANUSHI DIRECT" is a service that realizes stable rent income for real estate owners by collecting rent on behalf of the real estate owner in addition to guaranteeing the rent. Solitary Death guarantee, which eases the burden on real estate owners when solitary death occurs in rental housing, is included as standard, and by expanding services such as household property guarantee, it reduces the labor and risk of real estate owners and supports rental management.

In addition to providing services through distributors so far, we will continue to diligently expand into the self-managed market by making direct contracts with real estate owners.
