## **【News】 Announcement on the expansion of Shareholder Benefit Program and establishment of Shareholder Reference Scheme**

CYBERDYNE Inc. (the “Company”) announces that the Meeting of the Board of Directors held today passed the resolution to expand the Shareholder Benefit Program and establish Shareholder Reference Scheme. Please refer to the details stated below.

The Company implemented the Shareholder Benefit Program to respond to the support we receive from our shareholders daily and deepen their understanding of our business.

Our Shareholder Benefit Program can be regarded as insurance in case of unexpected circumstances. To strengthen this aspect, we have resolved to expand the program's target and provide a further discount for Neuro HALFIT at Home. In addition, we have prepared a new Shareholder Referral Scheme for shareholders who were unable to use the benefits due to the limitation of targets.

*\*Neuro HALFIT is a program designed to induce improvement of the brain-nerve-musculoskeletal function by using the world's first Wearable Cyborg HAL by forming a healthy loop of neural signals. The program supports people who have difficulty standing, sitting, walking, or moving their limbs by themselves due to a decline in physical function from aging, diseases, or injuries.*

### **1. Detail of the expansion**

[The scheme after the expansion: From June 2021 to May 2022]

The shareholder can choose one from the following two options once.

Details	(1)	Neuro HALFIT at Home (Three months)* <sup>1</sup>	1 unit to 20 units	30,000 Yen off
			20 units to 30 units	50,000 Yen off
			Above 30 units	80,000 Yen off
	(2)	Neuro HALFIT Private Program (10 times) * <sup>2</sup> (Program at Robocare Centers, using three different types of HAL)	1 unit to 10 units	10% off
			10 units to 20 units	20% off
			20 units to 30 units	30% off
			Above 30 units	50% off
Terms	<ul style="list-style-type: none"> <li>• For individual shareholders: The benefits are available to shareholders and their spouses and their families up to the second degree of kinship</li> <li>• For corporate shareholders: The benefits are available to <u>one</u> director and employee, their spouse, or their family member up to the second degree of kinship</li> </ul>			

\*1 Neuro HALFIT at Home is a program with the world's first Wearable Cyborg HAL that can be done at home to promote the independence of those with weakened legs and back. The program is suited for people who have difficulty standing, sitting, walking, or moving their arms due to the decline of physical functions caused by aging, diseases, and injuries. Neuro HALFIT at Home is a fully online support service connected to the cloud. The discount associated with the Shareholders' Benefits Program is valid for a single contract of 3 months only.

\*2 Neuro HALFIT Private Program is a program conducted at Robocare Centers in Japan. The program combines three different types of HAL (Lower Limb, Single Joint, Lumbar) to improve the physical function of every user to maximum effect.

## 2. Shareholder's referral scheme

We have introduced a new scheme where a customer who received a referral from our shareholder can sign up for Neuro HALFIT at Home with a discount of 10,000 yen. Shareholders who refer a customer will also receive a gift card equivalent to 10,000 yen as a token of appreciation for their referral.

Program	Neuro HALFIT at Home (Rental program for individual users)
A shareholder eligible for referral	A shareholder with more than one share unit
Benefit for the referee (customer)	10,000-yen discount
Benefit for the referrer (shareholder)	Gift card equivalent with the value of 10,000-yen
Who can be referred	Any customer who has never signed up for Neuro HALFIT at Home before
Limitation on the number of referrals	None (however the shareholder cannot refer a same customer more than once)
Combined use with shareholder benefit	The referral scheme cannot be used together with the shareholder benefit

\*For further details on the scheme, please refer to the Company website.

## 3. Effective period of the new scheme

Please refer to the Company's website for details on using the Shareholders' Benefits Program and the Shareholder Referral Scheme.
