Notes to the Consolidated Financial Statements

[Notes on Financial Instruments] 2. Current Value, etc., of Financial Instruments

### **【Before correction】**

#### **2. Current Value, etc., of Financial Instruments**

(Notes)2. Unlisted stocks (consolidated balance sheet amount of 6,225 million yen) are not included in “Short-term investment securities and investment securities,” since the identification of their market values is deemed extremely difficult, due to the absence of market values and the inability to estimate future cash flows.

### **【After correction】**

#### **2. Current Value, etc., of Financial Instruments**

(Notes)2. Unlisted stocks (consolidated balance sheet amount of 59,736 million yen) are not included in “Short-term investment securities and investment securities,” since the identification of their market values is deemed extremely difficult, due to the absence of market values and the inability to estimate future cash flows.
