Notice of Organizational Changes

Financial Products Group Co., Ltd. hereby announces the following organizational change, which is to be implemented on July 1st, 2021, as decided at the Board of Directors' Meeting held on June 25, 2021.

1. Organizational changes to the Real Estate Department

In the Real Estate Fund Business, sales of the real estate fractional ownership investment have reached record highs after the first half of the fiscal year ending September 2021 and are steadily expanding.

In order to further accelerate the expansion of the Real Estate Fund Business, the organizational structure of the current two-part system (the Real Estate Origination and Asset Management Dept. and the Real Estate Sales and Marketing Dept.) in the Real Estate Department will be changed to a four-part system (the Real Estate Origination Dept., the Real Estate Operations Dept., the Real Estate Sales Promotion Dept. and the Real Estate Administrative Dept.) and we plan to further strengthen each function, including composition, operations, sales and administrative affairs.
