### Changes in accounting policies

(Application of Accounting Standard for Revenue Recognition, etc.)

From the beginning of the year ending March 31, 2022, "Accounting Standard for Revenue Recognition" (ASBJ Statement No.29 March 31, 2020) etc. have been adopted and recognized revenue as the amount expected to be received in exchange for promised goods or services at the time the control of such goods or services is transferred to the customer.

Regarding the application of the Accounting Standard for Revenue Recognition, etc., the Company follows the transitional treatment stipulated in the proviso of Article 84 of the Accounting Standard for Revenue Recognition. The cumulative effect of retrospectively adopting the new accounting policy to the periods prior to the beginning of the first quarter to the current fiscal year is reflected in the balance of retained earnings at the beginning of the first quarter of the current fiscal year, and the Company has adopted the new accounting policy from the beginning of the current period.

As a result, revenue for the first quarter decreased by \$18,489 million, but operating profit, ordinary profit, and profit before income taxes had no change. Also, there was no effect on the balance of retained earnings at the beginning of the current fiscal year.

In addition, the account name has been changed from "Net sales" to "Revenue".

In accordance with the transitional treatment stipulated in the Article 28-15 of the "Accounting Standard for Quarterly Financial Reporting" (ASBJ Statement No.12, March 31, 2020), the Company has not provided information on the breakdown of revenues arising from contracts with customers for the first quarter of the previous fiscal year.
