Notice of release of an English website for IR

We have released an English website for IR to provide a wide range of information to stakeholders, including shareholders and investors not only in Japan but also overseas.

Thereafter, we will publish IR information in English on this site.

1. English corporate site URL

<https://www.wow-world.co.jp/en>

2. Future plans

In the future, we plan to expand the site centering on product and service information in addition to IR information.
