In addition, due to this reorganization being a company split and absorption-type merger within wholly owned subsidiaries of Ateam, some disclosure items and details are omitted.

1. Reason for the Company Split and Absorption-Type Merger

The purpose of this company split and absorption-type merger is to concentrate management resources, improve efficiency and strengthen functions for the further growth of the digital marketing support business in the Lifestyle Support Business operated by Ateam’s subsidiaries. In addition, we aim to centralize investments and achieve early results in order to achieve further digital transformation that improves customer lifetime value (LTV) among multiple services operated within the Group.

2. Overview of the Reorganization

- (1) The automobile-related service and funerary service of Ateam Lifestyle Inc., and the financial media service and human resource service of Ateam Finergy Inc. were transferred to Ateam Hikkoshi Samurai Inc. by an absorption-type company split method.

- (3) With consideration for the above, the company name Ateam Hikkoshi Samurai Inc. was changed to Ateam LifeDesign Inc., and Ateam Lifestyle Inc. was changed to Ateam Wellness Inc. on February 1, 2022.
