### **Temporary Suspension of Production at Tadano Group Manufacturing Facilities**

Tadano Ltd. will temporarily suspend production at the following plants in Japan due to forecasted interruptions in the delivery of certain parts from certain suppliers stemming from the semiconductor shortage that has been ongoing since last year, Russia's military invasion of Ukraine, and supply chain effects from the ongoing coronavirus lockdowns in China.

Plant Name:	Tadano Ltd. Kozai Plant (Kagawa, Japan)
Dates:	Temporary suspension from May 9 <sup>th</sup> through May 13 <sup>th</sup>
Main Plant Products:	Rough Terrain Cranes, Truck Cranes

Plant Name:	Tadano Ltd. Shido Plant (Kagawa, Japan)
Dates:	Temporary suspension from May 9 <sup>th</sup> through May 13 <sup>th</sup>
Main Plant Products:	Rough Terrain Cranes, All Terrain Cranes

Also due to semiconductor shortages and Russia's military invasion of Ukraine, Tadano Demag GmbH and Tadano Faun GmbH (Tadano Group manufacturing companies in Germany) have initiated temporary suspension of production for certain manufacturing lines since April 12<sup>th</sup>, and further measures are also being considered for the month of May.

The business impact of this development is currently under review. Should there be any impact on our consolidated financial results, we will promptly disclose the relevant information.
