### **1. Reason for change**

Currently, the fiscal year end of the Company and its consolidated subsidiaries in Japan is March 31<sup>st</sup> of each year, and the fiscal year end of the Company’s consolidated subsidiaries outside of Japan is mainly December 31<sup>st</sup> of each year. The Board of Directors decision to unify the fiscal year to December 31<sup>st</sup> was made with the aim of achieving these goals.

### **2. Details of the change of accounting period (fiscal year-end date)**

Current fiscal year-end date: March 31<sup>st</sup> of each year

Revised year-end date after amendments: December 31<sup>st</sup> of each year

(Note) Fiscal year 2022, which is a transitional period for the change of accounting period, shall be the 9-month fiscal period from April 1, 2022 to December 31, 2022. Granting some minor exceptions, the same change of accounting period will also be enacted at consolidated subsidiaries with fiscal year-ends other than December 31<sup>st</sup>.
