Subject to the resolution for approval of Proposal 1, “Partial Amendments to the Articles of Incorporation,” the Company will transition to a company with an Audit and Supervisory Committee. Accordingly, the Company would like to request shareholders’ approval to establish a maximum amount of remuneration for Directors (excluding Directors serving as Audit and Supervisory Committee Members) that will replace the currently applicable maximum amount of remuneration for Directors.

To date, the maximum amount of remuneration for Directors has been 500 million yen per year as approved at the 80th Annual General Meeting of Shareholders held on June 27, 2008.

The Company proposes to establish the maximum amount of remuneration for Directors (excluding Directors serving as Audit and Supervisory Committee Members) at 700 million yen per year (including 50 million yen per year for Outside Directors) in consideration of conditions including the following: the number of Directors (excluding Directors serving as Audit and Supervisory Committee Members); the economic environment; the levels of remuneration in other companies; and increase in the roles and presence of Executive Officers as members of the management team. The proposed maximum amount includes Executive Officer remuneration for Directors who also serve as Executive Officers.

Proposal 5: Establishment of the Maximum Amount of Remuneration for Directors Serving as Audit and Supervisory Committee Members

Subject to the resolution for approval of Proposal 1, “Partial Amendments to the Articles of Incorporation,” the Company will transition to a company with an Audit and Supervisory Committee. Accordingly, the Company would like to request shareholders’ approval to establish a maximum amount of remuneration for Directors serving as Audit and Supervisory Committee Members that will replace the currently applicable maximum amount of remuneration for Audit & Supervisory Board members.

To date, the maximum amount of remuneration for Audit & Supervisory Board members has been 110 million yen per year as approved at the 78th Annual General Meeting of Shareholders held on June 29, 2006.

The Company proposes to establish the maximum amount of remuneration for Directors serving as Audit and Supervisory Committee Members at 110 million yen per year in consideration of the recent economic and other circumstances as well as the significance of their responsibilities.

The Company has determined this maximum amount of remuneration in consideration of the management environment and the levels of management remuneration in other companies, and thus considers that this amount is appropriate. The Remuneration Advisory Committee, which includes Independent Outside Directors as its members, has also reported that it is appropriate.
