## Notice Concerning Acquisition of CASBEE Certifications for Real Estate

Daiwa Securities Living Investment Corporation (hereinafter referred to as the “Investment Corporation”) hereby announces that 2 of the properties owned by the Investment Corporation acquired CASBEE certifications for Real Estate.

With the acquisition this time, the total number of properties owned by the Investment Corporation that have acquired a green building certification has become 21, and the ratio of such properties to the entire portfolio properties (based on total floor area of the portfolio properties) stands at around 15.8%.

### I. Overview of CASBEE certifications for Real Estate

“CASBEE (Comprehensive Assessment System for Built Environmental Efficiency)” is a method for evaluating and rating the environmental performance of buildings as well as a comprehensive evaluation system for the environmental performance of buildings including consideration to the surrounding landscape in addition to the aspects of environmental load reduction such as energy and resource saving and recycling performance. It evaluates buildings completed no less than one year prior, and they are evaluated with one of the four ratings of Rank S, Rank A, Rank B+, or Rank B.
