Notice Concerning Support for the Disaster-stricken Areas in the Turkey-Syria Earthquake

Firstly, we wish to express our heartfelt condolences to the victims of the earthquake that struck southeast Turkey in the early morning of February 6, 2023. We extend our deepest sympathies to the victims of that earthquake.

ARDEPRO Co., Ltd. (Headquarters: Shinjuku-ku, Tokyo; Representative Director and President: Yuichi Shiitsuka; hereinafter, "the Company") has made the decision to donate ¥1 million yen as a relief fund through the Japanese Red Cross Society to support the earthquake-stricken areas of Turkey and Syria.

In order to prevent the risk of collapse of buildings caused by the earthquake, in Japan, the Company is developing a "redevelopment adjustment business" that promotes the reconstruction of aging buildings, and apartments, and the like.

With this as backdrop, the Company has decided to offer its support so that those affected by this disaster can return to their former peaceful lives as soon as possible.

The Company sincerely prays for the safety of those in the disaster-affected areas and for their speedy recovery.
