- 3) Date on which the complaint was delivered: May 10, 2023

2. Outline of the plaintiff

Name	Konami Digital Entertainment Co., Ltd.
Location	1-11-1, Ginza, Chuo-ku, Tokyo, Japan
Representative	Hideki Hayakawa, Representative Director, President t

3. Details of the claim

- 1) The nature of the claim
 - Claim for damages due to patent infringement by “Uma Musume Pretty Derby” operated by Cygames.
 - Request for an injunction against the production, usage, and provision through telecommunication lines of “Uma Musume Pretty Derby.”
- 2) The amount of money claimed for damages and others and its subject matter
 - Amount claimed: Four billion yen and the amount of the relevant delay charges
 - Subject matter in case: “Uma Musume Pretty Derby”

4. Cause and background of the lawsuit

Cygames has been in discussions with Konami Digital Entertainment regarding patent rights for certain parts of the game system and program of "Uma Musume Pretty Derby" operated by Cygames. However, Cygames's opinion has not accepted by Konami Digital Entertainment, which resulted in the lawsuit being filed.

5. Outline of the subsidiary

Name	Cygames, Inc.
Location	16-17 Nanpeidai-cho, Shibuya-ku, Tokyo, Japan
Representative	Koichi Watanabe, President
Capital	124,800,000 yen
Business	Planning, development, and operation of games, animation production, investment and support

6. Future Outlook

CyberAgent believes that there is no such fact that “Uma Musume Pretty Derby” has infringed the patents of Konami Digital Entertainment. Therefore, we will clarify our legality through the responses to the case.

It is difficult to reasonably calculate the impact of the matter on our business performance at this point. We will promptly announce any issues that should be disclosed in the future.
