Notice on Support for Recommendations of Task Force on Climate-related Financial Disclosures (TCFD)

Union Tool Co. has expressed its support for the recommendations of the Task Force on Climate-related Financial Disclosures (TCFD).

1. Declaration of Support for the TCFD Recommendations

Union Tool Co. believes that assessing and appropriately disclosing the risks and opportunities that climate change poses to business activities is essential for sustainable corporate growth and for creating a sustainable society. Therefore, we support the recommendations of the Task Force on Climate-related Financial Disclosures (TCFD).

2. Information Disclosure According to TCFD Recommendations

We disclose information according to TCFD recommendations on its website.

We will further enhance our efforts to address environmental issues, including climate change, and continue to disclose information in line with TCFD recommendations to increase our corporate value.
