## 2. Reasons

The Company recognizes that returning profits to shareholders is one of the most important management issues, and our basic policy is to pay dividends twice a year, an interim dividend and a year-end dividend, aiming for a consolidated payout ratio of 30% and over and an increase from the previous fiscal year, while securing the necessary internal reserves for future business development and enhancing the management structure.

In light of the above basic policy, the Company set the interim dividend for the fiscal year ended March 31, 2024 at 26 yen per share.
