Notice on the Posting of an Extraordinary Loss (Loss on Valuation of Investment Securities)

Chatwork hereby provides notice that the need has arisen to post an extraordinary loss (loss on the valuation of investment securities) for the third quarter of the fiscal year ending December 31, 2023 (July 1 to September 30, 2023).

1. Details of the extraordinary loss

After reviewing our financial position and the future prospects of our holdings of investment securities, we have decided to record a 24,000 thousand yen loss on valuation of investment securities as an extraordinary loss.

2. Outlook

This matter is reflected in our “Summary of Financial Results for the Nine Months Ended September 30, 2023,” which we disclosed today. We expect this matter to have only a negligible impact on our consolidated business results for the fiscal year ending December 31, 2023. However, we will closely examine future trends, promptly make any necessary disclosures, and revise our business forecast if such a revision becomes necessary.
