1. Qualitative information on financial results for the six months ended September 30, 2023

(1) Explanation of operating results

In the six months ended September 30, 2023, the outlook for the truck and construction machinery business environment in Japan and overseas remained uncertain, mainly as a result of the depreciation of the yen and concerns over global economic recession, although there were improvements in the situation regarding the shortage of parts such as semiconductors.

Under these circumstances, the Group continued to strengthen its responsiveness to changes in production and carry out rationalization activities, and strived to secure revenues.

As a result of the above, in the six months ended September 30, 2023, the Company recorded net sales of 98,899 million yen (up 13.0% year on year), operating profit of 6,356 million yen (up 26.7% year on year), ordinary profit of 6,857 million yen (up 20.2% year on year) and profit attributable to owners of parent of 4,420 million yen (up 12.5% year on year).

[Sweden]

Although demand for commercial vehicles increased in Europe, production decreased year on year at PRESS KOGYO SWEDEN AB.

[China]

Production at PRESS KOGYO MINI CABIN (SUZHOU) CO., LTD. decreased year on year due to sluggish domestic demand.
