(Correction) Partial correction of "Announcement of Construction of Self-propelled Cable-laying Vessel"

We would like to inform you of corrections to the press release "Announcement of Construction of Self-propelled Cable-laying Vessel" published on December 8, as follows:

Note

1. Point to be corrected: "2. Overview of the cable-laying vessel", Primary specification, Gross tonnage
2. Reason for correction: It was found that the published number was incorrect.

【Before correction】

Primary specification	Gross tonnage: <u>approx. 11,500 t</u> , Thrust power: approx. 13,000kw, DPS Class2
	Ship's classification: Class NK
	Accommodation capacity: 90 persons (all private rooms, fully equipped with shower & restroom)

【After correction】

Primary specification	Gross tonnage: <u>approx. 19,000 t</u> , Thrust power: approx. 13,000kw, DPS Class2
	Ship's classification: Class NK
	Accommodation capacity: 90 persons (all private rooms, fully equipped with shower & restroom)

End
