**Notice Regarding Preparation for Application to Change Market
Category to Tokyo Stock Exchange Prime Market**

We are currently listed on the Growth Market of the Tokyo Stock Exchange, and in order to achieve our medium- to long-term growth and further increase our corporate value, we are preparing to apply for a change of market category to the Prime Market of the Tokyo Stock Exchange (the "application for change").

At this point, the date of the application for change and the date of approval have not been determined, and there are also uncertain factors that may cause us to discontinue preparations for the application for change in the future. In addition, it should be noted that that approval of the application for change may be rejected by Tokyo Stock Exchange if the requirements for change are not satisfied for any reasons.

We will promptly announce any future updates regarding this matter that require disclosure.
