**Notice Concerning Difference in Individual Financial Results (Non-consolidated Financial Results) Compared to Actual Figures for the Previous Year Results**

NTT DOCOMO, INC. hereby announces that there is a difference between the individual financial results for the year ended March 31, 2015 and the actual results for the previous year (year ended March 31, 2014).

1. Difference between the non-consolidated financial results for the year ended March 31, 2015 and the actual figures for the previous year

	Operating Revenues	Operating Income	Income before Income Taxes	Net Income	Net Income Per Share
Previous year results (A) (Year ended March 31, 2014)	(millions of yen) 4,432,980	(millions of yen) 853,131	(millions of yen) 899,287	(millions of yen) 483,232	(Yen) 116.53
Actual results for this year (B) (Year ended March 31, 2015)	(millions of yen) 4,285,456	(millions of yen) 619,604	(millions of yen) 608,186	(millions of yen) 359,339	(Yen) 88.99
Change (B-A)	(millions of yen) (147,523)	(millions of yen) (233,527)	(millions of yen) (291,100)	(millions of yen) (123,893)	—
Change (%)	(3.3)	(27.4)	(32.4)	(25.6)	—

2. Reason for the difference occurring

Income before income taxes decreased due mainly to the expanded impact from the broadened uptake of the “Monthly Support” discount program and the negative impact caused by the “Kake-hodai & Pake-aeru” new billing plan in the initial phase following its launch in June 2014, in addition to a rise in expenses such as cost of equipment sold and other factors.

## **About NTT DOCOMO**

NTT DOCOMO provides innovative, convenient and secure mobile services that enable smarter living for each customer. The company serves over 65 million mobile customers in Japan via advanced wireless networks, including a nationwide LTE network and one of the world's most progressive LTE-Advanced networks. DOCOMO is a leading developer of a 5G network that it plans to deploy by 2020, as well as network function virtualization (NFV), NFC infrastructure and services, emerging IoT solutions, and more. Outside Japan, the company is providing technical and operational expertise to seven mobile operators and other partner companies, and is contributing to the global standardization of all-new mobile technologies. DOCOMO is listed on stock exchanges in Tokyo (9437) and New York (DCM). Please visit [www.nttdocomo.co.jp/english](http://www.nttdocomo.co.jp/english).
