Reasons for Revision

Concerning the results of operations in the first 2 quarters of fiscal 2016, net sales are expected to be generally as planned. In terms of income or loss, in addition to cost reduction efforts, such factors as deferment of certain prior expenses associated with new development projects, etc. to in and after the second half of the fiscal year are expected to lead to results exceeding the previous forecast figures.

Furthermore, the forecast for results of operations in fiscal 2016 is currently under review and is scheduled to be announced at a later date.

Disclaimer: The above forecast for results of operations is prepared based on information currently available to ZENRIN Co., Ltd. as of the date of announcement of this document. Actual figures for results of operations may differ from the forecast figures due to various factors in the future.
