1. Basic Views

UPDATED

Basic Policies for Corporate Governance

Asahi Holdings Group (hereinafter referred to as “Group”) establishes “**Asahi Way**” which is a value to be shared by the group employees and contains Our Credo, Our Corporate Values, Our Employee Principles and The Ten Codes. The directors and group management will take the lead in practicing “Asahi Way” and will familiarize all group employees with it through key employees and the internal portal sites. In accordance with “Asahi Way” principles, we have established “Asahi Holdings Corporate Governance Policies” for the purposes of Group’s sustainable corporate growth and increased corporate value over the mid- to long-term and will continuously endeavor to enhance our corporate governance by implementing the policies.

To establish corporate governance and have it work effectively is a corporate social responsibility and contributes to more efficient and transparent management as well as to sustainable corporate value growth. We will build our corporate governance that will respond to the confidence of shareholders, business partners, employees, local communities and other various stakeholders so as to fulfill our social mission and responsibility as a listed company. Also, we will develop a top-management composition and a framework for business operations that will promptly respond to the management environment changes with emphasis on compliance aiming at sustainable corporate value growth.

※We have disclosed “Corporate Governance policies” on our website.

3. Reasons for Adoption of Current Corporate Governance System

Our organization design and basic framework of corporate governance is as below.

We believe that this is most appropriate system to speed up the business operations and to enhance the function of supervising the business operations, giving the advice and supervising the conflict of interest.

- (1) By adopting a company with an audit and supervisory committee as a form of organization under the Companies Act and appointing two or more independent outside directors, we will enhance the functions to supervise the business operations, to give advice and to supervise the conflict of interest and, by appointing and empowering the executive directors, will speed up the business operations.
- (2) We will establish the “compensation committee” and “nominating committee”(the majority of which are outside directors) as an advisory body of the board of directors in order to further enhance corporate governance by securing transparency, fairness and objectivity in determining the amount of compensation of directors and appointing and dismissing the directors and key management candidates.
- (3) Important matters delegated to the executive directors will be deliberated and decided at the “group management strategy meeting”. Other matters for business operations will be deliberated and decided at the group’s key company management meeting. Details will be set forth in the internal rules.

For details, please refer to “Asahi Holdings Corporate Governance Policies” (Chapter-V: Corporate Governance Structure).

IV. Matters Related to the Internal Control System

1. Basic Views on Internal Control System and the Progress of System Development

- (1) Framework to ensure that the performance of duties by the directors, corporate officers and employees of our company and our subsidiaries is consistent with the laws and the articles of incorporation**
- ① The board of directors will establish “Asahi Way” and “Code of Ethics” for the directors and employees in order for the directors, corporate officers and employees to comply with the laws, articles of incorporation and internal rules and to fulfill their duties.
 - ② We will distribute “Asahi Way” to the directors and employees so as to keep them informed of legal compliance. The internal audit division will make improvements and give guidance through the business audit.
 - ③ We will establish the “internal control promotion meeting” consisting of responsible persons of various divisions as an organization that controls the entire compliance in order to promote the construction, maintenance and improvement of the internal control system.
 - ④ To promote compliance, the actual situation of compliance will be audited.
 - ⑤ In order to respond appropriately to any legal violation or other doubtful act under the laws which maybe discovered by a director or an employee, we will develop and operate a whistle-blowing system.
 - ⑥ We will never have any relationship, including business relationships, with anti-social forces which threaten the social order and sound corporate activities. In the event of an illegal request, we will take a firm attitude and respond to it organizationally in accordance with the law and internal rules.

(2) Framework for storage and management of information relating to business operations by the directors and a framework for report to our company about the matters relating to the performance of duties by the directors and employees of our subsidiaries

- ① We will appropriately control the manner of storing, disposing of and otherwise managing the records and documents relating to the performance of duties and decision-making of the directors and will review the relevant rules from time to time when needed.
- ② The directors, audit and supervisory committee members and accounting auditor will always have access to these information and documents.
- ③ We will manage our subsidiaries and they will report important matters to us.

(3) Rules and other frameworks for management for risk of loss in our company and our subsidiaries

- ① We will establish the risk management rules and build a risk management system in accordance with such rules.
- ② In the event of an unexpected event, we will discuss and make decisions at the management meeting, etc. and the responsible manager will inform such decisions to each division and plant. Each division and plant will take prompt actions to prevent damage from expanding and will arrange a system to minimize the damage.

(4) Framework to secure the efficient performance of duties by the directors of our company and our subsidiaries

- ① The board of directors will hold a meeting regularly no less than once every three months and from time to time when needed in order to determine the management policies and other important matters relating to the business strategies and to supervise the situation of business operations by the directors.
- ② In order to enhance the functions of the board of directors and improve management efficiency, the board of directors will hold an extraordinary meeting from time to time when needed in order to expeditiously make decisions on basic matters and important matters relating to the business operations.
- ③ The board of directors will draft a mid-term business plan and a budget for each fiscal year to set the business target and will supervise the progress.
- ④ Regarding the business operations according to decisions made by the board of directors, we will establish the responsibility of the directors for performance of duties and the procedures for performance so as to ensure the efficient performance of duties. Each provision will be reviewed from time to time when needed.

(5) Framework to secure the appropriateness of business of the corporate group consisting of our company and our subsidiaries

- ① We will build a system to manage our subsidiaries and will develop a system to report their business results, business activities and the like to our board of directors on a regular basis.
- ② A manager of our company will serve as an officer of our subsidiary and will develop a system to observe the appropriateness of such subsidiary's business.

- ③ The internal audit division of our company will conduct the internal audit regularly or when needed and will develop a system to report the result of audit to the representative director and president, the audit and supervisory committee and the relevant divisions of our company.

(6)Framework to appoint an employee who assists the duties of the audit and supervisory committee of our company, and the matters relating to the independence of such employee from the directors (except those who are audit and supervisory committee members) and the matters relating to the assurance of effective instructions given by the audit and supervisory committee to such employee

- ① We will assign an employee who assists the duties of the audit and supervisory committee in the audit and supervisory committee office.
- ② Appointment and relocation of the audit and supervisory committee office staff that assists such committee in performing its duties requires prior consent of such committee.
- ③ The audit and supervisory committee shall have the right to direct and order the audit and supervisory committee office staff who assists the committee in performing its duties to perform his/her duties.

(7)Framework where the directors (except those who are audit and supervisory committee members) and employees of our company and the directors, corporate officers, employees and auditors of our subsidiaries or parties who receives a report from aforementioned persons report to the audit and supervisory committee of our company, and other matters relating to reporting to the audit and supervisory committee

- ① The directors (except those who are audit and supervisory committee members) and employees of our company and the directors, corporate officers, employees and auditors of our subsidiaries or parties who receive a report from a fore mentioned persons will promptly report the important matters relating to, without limitation, the management, the accounting division and division in charge of compliance and awards and penalties to the audit and supervisory committee of our company, in addition to the matters which conflict with the laws and articles of incorporation and the matters which may remarkably damage our company and our subsidiaries.
- ② In order to grasp the important decision-making process and the situation of its business operations, the audit and supervisory committee members may attend important meetings in addition to the meeting of the board of directors, access important documents relating to the business operations and request a director or an employee to explain the situation when needed.

(8)Framework to ensure that no person who reported to the audit and supervisory committee of our company is treated disadvantageously by reason of there port

We will not treat any officer or employee of our company and our subsidiaries who reported to the audit and supervisory committee disadvantageously by reason of such report.

(9)Matters relating to the policies for settlement of expenses or debts associated with the procedures for prepayment or reimbursement of expenses incurred for the performance of duties by the audit and

supervisory committee members of our company (limited to the performance of duties of the audit and supervisory committee) and the performance of other duties

The audit and supervisory committee members may request the company to repay the expenses required for the performance of their duties (limited to the performance of duties of the audit and supervisory committee

(10) Other framework to ensure that the audit and supervisory committee of our company conducts audits effectively

The audit and supervisory committee, accounting auditor and audit and supervisory committee office will cooperate with each other in audit tasks and the director and employees will assist them in conducting audits efficiently.

2. Basic Views on Eliminating Anti-Social Forces

Group strictly prohibits all officers and employees from having any relationship or doing any transaction with anti-social activities or forces. Also, Group has a system to closely affiliate with outside expert organs and to respond to any situation promptly.
