Salotto CANTICO and Ristorante incantina are two different Italian restaurants and bars opened in July 2016 at Tokyo Garden Terrace Kioicho. Owing to our business relationship, we have selected coupons to these two restaurants as one of our shareholder perks.

Salotto CANTICO and Ristorante incantina carry on the spirit of the flagship restaurant, incanto, located in Hiroo. Wataru Takeishi, owner and sommelier, selects wines that are an impeccable match to the customer's palate or pairs wines (abbinamento vino) that are the perfect marriage with each dish.
