Contingent on the approval of the Plan by resolution of the Meeting, stock options as share-based compensation will not be issued in the future.
- (2) The Plan adopts a framework called the Board Incentive Plan Trust (the “BIP Trust” below), which is an executive incentive plan based on the “Performance Share Plan” and “Restricted Stock Plan” of the United States. The BIP Trust delivers or pays (“deliver(y), etc.” below) the Bank’s shares acquired by the BIP Trust and money equivalent to the converted value of such shares (the “Bank’s shares, etc.” below) to the Directors as executive remuneration.

2. Framework of the Plan

- 4) The Trustee follows the instructions of the trust administrator and acquires the Bank’s shares from the stock market using the money contributed in 3).
- 5) Dividends on the Bank’s shares held in the Trust are also paid in the same manner as the other shares of the Bank.
- 6) No voting rights shall be exercised on the Bank’s shares held in the Trust during the trust period.
- 7) During the trust period, the Bank’s shares, etc., shall be delivered, etc., from the Trust to the Directors who meet the beneficiary requirements (such as retirement, etc) in accordance with the Share Delivery Rules.
- 8) If there are residual shares at the expiry of the trust period, due to reasons such as underachievement of performance targets during the trust period, the Bank will either continuously use the Trust for the Plan, or as another incentive plan similar to the Plan, by making amendments to the trust agreement and additionally contributing to the Trust, or transfer the residual shares from the Trust to the Bank without payment, acquire them without payment and cancel them by resolution of the Board of Directors.
- 9) Upon termination of the Trust, residual assets remaining after the distribution to the beneficiaries will be reverted back to the Bank within the reserve for trust expenses at the amount after deducting the share acquisition fund from the trust money. Any portion in excess of the reserve for trust expenses will be donated

to organizations with no interest in the Bank and the Directors.

Note: In cases where during the trust period, there is a possibility that the number of the Bank's shares within the Trust becomes less than the number of shares corresponding to the number of points determined for each Director for the delivery, etc. of the Bank's shares (as stipulated in 3.
