To Our Shareholders:

Akihiro Teramachi
Representative Director and President
THK CO., LTD.

Dear Shareholders:

Taking this occasion, we would like to express our deep gratitude for your support.

It gives us great pleasure to inform you that the 47th Ordinary General Meeting of Shareholders of THK CO., LTD. (the “Company”), will be held as outlined below.

The Company is developing its business activities based on its strategic focuses: “Full-Scale Globalization” aiming to expand its geographic business areas, “Development of New Business Areas” aiming to expand the areas of application of its products, and “Change in Business Style” aiming to thoroughly apply Internet of Things (IoT), cloud computing, Artificial Intelligence (AI), and robotics.

In the industrial machinery business, the Company, on the sales front, is promoting efficient sales activities by utilizing various IT tools to further broaden the demand for the Company’s products. On the production front, the Company is working to further increase productivity by promoting incorporation of robots into the production process and automation of production lines, as well as visualizing global production by making full use of IoT.

In the automotive & transportation business, the Company is pursuing the expansion of L&S (linkage and suspension) business and accelerating the development and sales of new products for automobiles by applying the core linear motion system technologies.

We will strive to meet the expectations of our shareholders by continuing to push forward with “Full-Scale Globalization,” “Development of New Business Areas,” and “Change in Business Style” and working on profitability improvement to drive growth and improve corporate value further.

We look forward to your continuous support and encouragement in the coming years.

Management Principles

Providing innovative products to the world and generating new trends to contribute to the creation of an affluent society.

In accordance with the management philosophy, the Company aims to enhance the THK Group's long-term corporate value by continuously growing through appropriate cooperation with all stakeholders, including our shareholders.

Reference Documents for the Ordinary General Meeting of Shareholders

Proposal 1: Surplus Appropriation

In light of consolidated business performance in the fiscal year under review (47th term), we would like to pay the following term-end dividend for the 47th term and make the following other surplus appropriation, having given comprehensive consideration to the Company's business performance, the Group's business environment, internal reserves to prepare for future business development, consecutive dividends policy, and other factors.

1. Matters Related to Term-End Dividends

For the term-end dividend for the 47th term, we would like to pay out ¥25 per share of common stock.

As a result, annual dividend for the 47th term, including the interim dividend of ¥16, will be ¥41 per share.

(1) Type of Property for Dividends

Money

(2) Allotment of Property for Dividends

¥25 per share of common stock for a total of ¥3,164,388,475

(3) Effective Date of Distribution of Surplus

Effective date to be June 19, 2017

2. Matters Related to Other Surplus Appropriation

(1) Account item and amount of increase in surplus

General reserve ¥7,000,000,000

(2) Account item and amount of decrease in surplus

Profit surplus carried forward ¥7,000,000,000

Proposal 2: Partial Amendments to the Articles of Incorporation

1. Reasons for the Amendments

Reasons for the amendments are as follows.

- (1) In order to further strengthen collaboration, increase operational efficiency, and improve the working environment within the Group, as well as to step up responses to the business continuity plan (BCP) in a time of disaster, etc., by consolidating the Company's Head Office, offices, and some of the Group companies' head offices, etc., the Company has made the decision to change the location of the Head Office provided for in the current Article 3 (Location of the Head Office) of the Articles of Incorporation from Shinagawa-ku, Tokyo to Minato-ku, Tokyo.

The amendment to the Articles of Incorporation shall become effective on the date of relocation of the Head Office, which is to be determined at the Board of Directors meeting to be held by the 48th Ordinary General Meeting of Shareholders in 2018. A supplementary provision shall be established to clarify the foresaid effect.

- (2) The Company's fiscal year runs from April 1 to March 31 of the following year. However, in order to promote integrated group management by unifying the fiscal year-end of the Company with that of its overseas consolidated subsidiaries, as well as further enhancing the transparency of management by making timely and appropriate disclosure of management information, such as business results, the Company has made the decision to change its fiscal year to run from January 1 to December 31. In relation to the above, the Company proposes to make necessary amendments to Article 13 (Record Date), Article 14 (Convocation), Article 43 (Fiscal Year), Article 44 (Year-End Dividend), and Article 45 (Interim Dividend) of the current Articles of Incorporation.

Following the above change, the 48th fiscal year will cover the nine months from April 1 to December 31, 2017. Accordingly, supplementary provisions will be established as a transitional measure.

(currently KAINOSHO CO., LTD.) (current position) Apr. 2011 Professor at Otsuma Women’s University Junior College Division (current position) Jun. 2012 Outside Director of the Company (current position)	1,700
	[Rationale for Appointment as a Candidate for Outside Director] The rationale for the appointment of Masaaki Kainosho as a candidate for Outside Director is that we expect that he will help ensure the objectivity, neutrality and legality of the Company’s management as the THK Group undertakes full-scale globalization and development of new business areas, as well as change in business style, to enhance the corporate value of the Group on the basis of his abundant experience and accomplishments, and insights gained as a university professor knowledgeable about business administration and as the manager of a management consulting company. Although Mr. Kainosho held a position at Mitsui Bank, from April 1976 to April 1996, which was a previous entity of Sumitomo Mitsui Banking Corporation, currently a lender to the Company, he consistently belonged to an IT system-related unit and the Company did not have any transactional relationship with Mitsui Bank at that time. Therefore, we have determined that Mr. Kainosho can maintain his independence and perform his duties appropriately as Outside Director of the Company. Notes: 1. There is no special interest relationship between Masaaki Kainosho and the Company. 2. Masaaki Kainosho is a candidate for Outside Director. 3. Under the provisions of Article 427, Paragraph 1, of the Companies Act, the Company may enter into an agreement with Masaaki Kainosho to limit his indemnity liability under Article 423, Paragraph 1, thereof. The limitation of liability under the agreement is either the higher of ¥10 million or the minimum liability limit stipulated in Article 425, Paragraph 1, of the Companies Act. If Mr. Kainosho is reelected, the Company intends to continue the limited liability agreement with him as an Outside Director 4. The Company registered Masaaki Kainosho as an independent officer in accordance with the regulations of the Tokyo Stock Exchange. If Mr. Kainosho is reelected, the Company intends to continue to register him as an independent officer.		

Note: The summary of the Audit and Supervisory Committee's opinion regarding the appointment of Directors and remuneration, etc. is as follows.

The Nomination Advisory Committee deliberated each candidate's qualifications as a director by examining their knowledge, experience, and ability, etc. One Audit and Supervisory Committee member participated in deliberations as a member of the Nomination Advisory Committee. The Audit and Supervisory Committee had a discussion based on the deliberation results of the Nomination Advisory Committee. As a result, we have determined that the nomination procedure was carried out properly and each candidate is qualified to be a director of the Company.

[Translation for Reference and Convenience Purposes Only]

The Audit and Supervisory Committee deliberated over remuneration for directors based on the deliberation results of the Remuneration Advisory Committee, in which one Audit and Supervisory Committee member participates in deliberations, as was the case with the deliberations by the Nomination Advisory Committee. As a result, we have determined that the decision procedure was carried out properly and remuneration is appropriate considering that the amount of remuneration is commensurate with the role, duties, and achievements of each director.

2. Entity for which the Company is a major client or its business operator
3. The Company's major client or its business operator
4. Consultant, Certified Public Accountant or other accounting expert or a legal expert such as a lawyer who is receiving from the Company a large amount of money or other assets other than officer's compensation (if the recipient of such money or asset is an organization such as a corporation, a person who belongs to such an organization)
5. Person who falls under 2, 3 or 4 above in the past one year
6. Spouse or a relative within the second degree of kinship of the following persons (excluding those who are not important)
 - (a) Person who falls under 2 through 5 above
 - (b) A business operator of the Group
 - (c) Person who falls under (b) above in the past one (1) year
7. The Company's shareholder who holds 10% or more of the current total voting rights of the Company (if the shareholder is an organization such as a corporation, a business operator of the organization)

Notes:

A "business operator" refers to a person who executes business duties as prescribed in Article 2, Paragraph 3, Item 6, of the Ordinance for Enforcement of the Companies Act, including Executive Directors, Executive Officers, Managers and other employees but excluding non-executive directors and Auditors.

The Company's concept of "major" and "importance":

A person or an organization such as a corporation that gives significant influence on the Company's decision making as well as stakeholders including shareholders, or a business operator who belongs to such an organization

Specifically, the Company's client with which the transaction amount with the Company accounts for a significant part of the Company's sales revenue and the Group's management (Directors and Executive Officers, etc.) are considered to be major and/or important.

Business Report

(From April 1, 2016 to March 31, 2017)

1. Present Status of the Corporate Group

(1) Review of Business Performance in the Current Consolidated Fiscal Year

1. Business Progress and Results

Economic Environment

During the consolidated fiscal year under review (47th term), the economic growth in emerging countries such as China slowed down; however, the world economy continued its modest recovery which was mainly led by Europe and the United States of America that maintained their recovery trend. In Japan, there were some weaknesses in exports because of the strong yen; however, the economy rallied and made a mild recovery in the latter half of the fiscal year.

Overall Summary of Sales

The THK Group has identified “Full-Scale Globalization,” the “Development of New Business Areas,” and “Change in Business Style” as cornerstones of its growth strategy to expand the markets of its products such as LM Guide (Linear Motion Guide). As to Full-Scale Globalization, while the markets in emerging countries such as China are growing by dint of the factory automation progress, which is also spreading to developed-country users, the THK Group endeavors to expand its global sales network to meet such demand. Regarding Development of New Business Areas, while the THK Group’s products are getting widely adopted in new business fields such as automobile parts, seismic isolation and damping systems, medical equipment, aircraft, robot, and renewable energy, the THK Group is working on expanding sales of not only existing products but also new developed products. In addition to promoting these strategies above, the THK Group is also committed to further expand its business fields by changing its business style enabled by making full use of the Internet of Things (IoT), cloud computing, AI, robot in many ways. In this fiscal year, the THK Group operated proactively to expand its sales with its strengthened operating structure on a global scale. Moreover, in order to further expand its transportation equipment business, THK has included four subsidiaries into the scope of consolidation as THK RHYTHM AUTOMOTIVE (“TRA”). As a result, net sales for the year amounted to ¥273,577 million, up ¥33,098 million, or 13.8%, compared to the figure a year earlier.

Overall Summary of Income

On the cost front, the cost of sales to sales ratio worsened by 2.4% from a year earlier to 74.2% due to consolidating the four TRA subsidiaries of which cost of sales to sales ratios were higher than that of the THK Group’s sales to industrial equipment-related industry. On the other hand, ratio of selling, general and administrative expenses to net sales improved by 1.8% from a year earlier to 16.7% because of consolidating the four TRA subsidiaries with lower ratios.

[Translation for Reference and Convenience Purposes Only]

As a result, operating income increased from a year earlier by ¥1,483 million, or 6.4%, to ¥24,653 million, whereas ratio to net sales dropped by 0.6% to 9.0%. Total non-operating income and expenses were ¥2,596 million and ¥3,851 million, respectively. The major component of non-operating expenses was ¥2,942 million of foreign exchange loss due to the stronger yen.

As a result, ordinary income increased from a year earlier by ¥4,257 million, or 22.2%, to ¥23,398 million. Net income attributable to owners of the parent for the fiscal year also increased from a year earlier by ¥3,155 million, or 23.2%, to ¥16,731 million.

Segment Breakdown

Japan

Sales Revenue (Billions of Yen) Operating Income (Billions of Yen)

In Japan, there were some weaknesses in exports because of the strong yen; however, the economy rallied and made a mild recovery in the latter half of the fiscal year. The THK Group operated proactively and cultivated new business fields such as seismic isolation and damping systems, medical equipment, renewable energy and robot. In such a situation, sales increased by ¥3,014 million, or 2.5%, to ¥121,865 million, compared to the figure a year earlier, owing mainly to increased demand for electronics-related products. On the other hand, operating income (segment income) amounted to ¥18,809 million, down ¥910 million, or 4.6%, from the figure a year earlier due mainly to the stronger yen as compared to the level a year earlier.

The Americas

Sales Revenue (Billions of Yen) Operating Income (Billions of Yen)

In the Americas, the economy continued a gradual recovery trend by dint of the robust consumer spending and capital investments. In such a situation, the production and sales sections worked in unison to expand and deepen transactions with existing customers and to cultivate new business fields such as medical equipment, aircraft, and energy-related business. As a result, net sales for the fiscal year amounted to ¥62,870 million, up ¥13,378 million, or 27.0%, from the figure a year earlier. Operating income (segment income) amounted to ¥2,311 million, up ¥215 million, or 10.3%, from the figure a year earlier. This was mainly attributable to the robust demand in the electronics industry and the two newly-consolidated TRA subsidiaries in the Americas.

Europe

Sales Revenue (Billions of Yen) Operating Income (Billions of Yen)

In Europe, while the economy continued its modest recovery trend, the production and sales sections proactively worked in unison to expand transactions with existing customers and to cultivate new business fields such as medical equipment, aircraft and robot. As a result, net sales for the fiscal year amounted to ¥48,775 million, up ¥17,552 million, or 56.2%, from the figure a year earlier. Operating income (segment income) amounted to ¥649 million, up ¥17 million, or 2.7%, from the figure a year earlier. This was also attributable to the effect of the two newly-consolidated TRA subsidiaries in Europe.

China

In China, the THK Group's products were getting widely adopted because of the factory automation progress brought by the shortage in labor and the hike in personnel expenses. In such a situation, the THK Group implemented aggressive business activities with its strengthened sales channels. As a result, THK Group successfully broadened the demand base even though the economy in China was slowing down. Sales, however, amounted to ¥28,008 million, down ¥164 million, or 0.6%, from the figure a year earlier due mainly to the stronger yen as compared to the level a year earlier. Despite the declining sales, the THK Group recorded ¥750 million of operating income (segment income), a turnaround of ¥2,095 million from the operating loss (segment loss) recorded a year earlier because of the various measures implemented to improve profitability.

Other Areas

In other countries and regions, the THK Group continued to expand and deepen transactions with existing customers and to cultivate new customers while expanding its sales channels in the ASEAN countries and India. However, net sales for the fiscal year amounted to ¥12,056 million, down ¥682 million, or 5.4%, from the figure a year earlier due to the stronger yen as compared to the level a year earlier. On the other hand, operating income (segment income) amounted to ¥1,336 million, up ¥68 million, or 5.4%, from the figure a year earlier.

Overall Summary of Research and Development

The THK Group is actively engaged in R&D activities, conducted primarily at the Technology Center (Tokyo) as an R&D base, to develop core LM systems and other products by applying the core technologies and know-how in Linear Motion Systems, including mechatronics such as Precision XY Stage and Linear motor actuators, and products in fields close to consumer goods such as automobiles, seismic isolation and damping systems, medical equipment, aircraft, renewable energy, and robotics.

Turning to activities outside Japan, THK established the R&D Center in China, the Company's first overseas R&D facility, in 2010 and started its full-scale operation in 2012. Together with the R&D Division of Germany-based THK RHYTHM AUTOMOTIVE, a subsidiary included in THK's scope of consolidation in 2015, the THK Group is working to establish an R&D framework for product development at optimal locations covering the Americas, Europe, and Asia to enable development of products that more accurately meet diverse needs of global customers.

In the industrial machinery business, THK developed LM Guide Model HDR with DB structure, optimal for single-rail configuration and targeting railway platform screen doors, for which demand is expected to grow. In addition, the Company enhanced the lineup of Caged Ball LM Guide Global Standard size Model SHS by introducing Stainless type Model SHS-M made of highly corrosion-resistant stainless steel.

Moreover, THK enhanced the lineup of LM Guide Light Series Model SHS-Light, which achieved a 40% weight reduction of LM rail while maintaining the size and accuracy of conventional products, enabling the speed-up of machines. As for ball screws, THK strengthened the lineup of Ball Screw Model SDA-V, for which we achieved a significant downsizing in accordance with DIN standard, and enabled high-speed operation at 5,000 min⁻¹ (maximum DN value: 160,000). We developed Cross-Roller Rings Model RF with built-in mounting flanges for industrial robots, enabling a reduction in the weight of equipment. As for actuators, THK further enhanced the lineup by developing Lightweight Actuator Model CFK, which are lightweight models for which carbon fiber is used for the outer rail and are compatible in size with conventional SKR actuators, and ALK actuators, for which considerable weight reduction was realized through the use of aluminum for core parts. In the renewable energy field, THK developed, and is promoting mass production of, Low-Torque Shaft Unit for Vertical Axis Wind Turbines WLS that comply with safety standards for compact wind turbines. In the robotics field, THK expanded SEED Solutions, which is a product line of elements and components for next-generation robot technology systems, with an eye to contributing to total cost reduction for customers, and launched SEED driver and Simple Actuator SEED+PicSel into the market. In addition, THK started to sell TRX® Academic Package robotic hands in a limited quantity to education institution customers in robotics and other fields. As part of R&D activities to provide a robot platform, THK participated in a robotics competition, sponsored by the Crown Prince of Abu Dhabi, in March 2017 and placed fifth. In the aircraft-related field, THK made a joint entry with AIRBUS/RECARO to an international award that evaluates aircraft interior innovation and received the top prize for "Smart Cabin Reconfiguration" in the Passenger Comfort Hardware category.

In the automotive & transportation business, THK launched products which were manufactured by a new method using aluminum materials to meet the needs for reducing the weight of automobiles, and is advancing improvement of manufacturing method with an eye toward expanding sales in future. The THK Group is seeking differentiation in the development of methods from its competitors based mainly on cold forging technology and precision pressing technology. In addition to the linkage and suspension (L&S) business, the THK Group will continue striving to further expand sales of linear motion-related products for transportation equipment.

Overall Summary of the Operation and Production Systems

In our four key geographical regions of Japan, the Americas, Europe and Asia, the THK Group is pursuing the establishment of the unified producer-retailer system at locations closer to centers of demand. In addition, we are making various efforts to expand sales to wide-ranging customers who actually use machinery equipment, in addition to machinery equipment manufacturers.

In terms of sales activities, the THK Group offered semi-custom order services for customization of five parts, for which customers' demand is high, in some model types of the LM Guide Actuator. In addition, we launched an "automatic optimal product selection tool," an online exclusive service, to develop a system designed to readily offer functions such as model type selection and product life cycle calculation. Moreover, THK launched Omni THK, an e-commerce website that offers various functions online, ranging from product selection to order placement, to establish a system that enables customers to easily select and order products—anytime, anywhere—face-to-face or non-face-to-face, in Singapore, Malaysia and Thailand. Through these, we worked to enhance our global and efficient sales structure.

In terms of production, the Group continued to promote incorporation of robots into the production process and automation of the production line in each region, as well as efforts to visualize global production by employing IoT technology. In China, where demand is expected to grow over the medium to long term, the THK Group further strengthened its production structure by launching the full-scale operation of THK MANUFACTURING OF CHINA (CHANGZHOU) CO., LTD. in July 2016.

Term-end Dividends

Our policy regarding dividends is to continue stable dividend payments, as well as to make efforts to flexibly return profits to shareholders according to business results, while strengthening the financial position by increasing internal reserves. We will effectively utilize internal reserves to conduct R&D activities and undertake capital investment in production facilities and information systems to respond to globalization, in order to meet the expectations of our shareholders. Under this policy, taking comprehensively into consideration the management environment, etc., surrounding the Company, we intend to pay a term-end dividend of ¥25 per share, which, along with the interim dividend of ¥16 per share, results in an annual dividend of ¥41 per share.

2. Status of Capital Investments

Total capital investments in the consolidated fiscal year under review amounted to ¥17,305 million, consisting mostly of investments in buildings and processing facilities that were made to reinforce production facilities and improve product quality. The main investment amount at each base is as follows:

	THK CO., LTD.	(Millions of Yen)
Domestic Operational Bases	Yamaguchi Plant	2,087
	Yamagata Plant	1,178
	Automotive & Transportation Company	808
	THK RHYTHM CO., LTD.	1,267
	THK NIIGATA CO., LTD.	513

(3) Description of Main Business Operations (As of March 31, 2017)

The Company manufactures and sells vital machinery components including LM guides and ball screws, and vital components for transportation systems such as link balls and suspension ball joints. The Company's principal customer base includes manufacturers of industrial equipment such as machine tools, general machinery and semiconductor manufacture equipment, as well as transportation equipment manufacturers of automobiles and motorcycles. In addition, under the policy "production in the district having demand is production in the optimal district," we are working to build a "unified producer-retailer system at the locations closer to centers of demand" in the four key geographic regions of Japan, the Americas, Europe and Asia.

LM guides, our core products, enable "rolling" in linear motion parts in a mechanical device, etc., achieving lighter and more accurate movements compared with a "sliding" motion. This feature enables mechanical devices to move with higher speed, higher precision and enhanced energy saving, thereby contributing to the development of industry and the preservation of the ecosystem.

(4) Future Tasks

The Group's business performance is currently affected by variable industrial capital investment trends. To alleviate the associated business risk and achieve middle-to-long-term growth, the Group has expanded its business areas through the three strategies of "Full-Scale Globalization," "Development of New Business Areas" and "Change in Business Style."

For "Full-Scale Globalization," we believe there exists great latent demand for linear motion systems because the usage level of these systems overseas is lower than that in Japan, whereas the awareness of these systems, including the Group's LM guides, is high and their market share is large at home. Especially in China and other emerging countries, where higher economic growth is continuing compared with advanced countries and FA is expected to continue to progress, we foresee a great increase in demand for our products in the medium to long term.

For "Development of New Business Areas," we believe that while the main customers of our LM guides and other product groups are now capital goods manufacturers, there exists a huge demand for these products in fields close to consumer goods, such as automobiles, seismic isolation and damping systems, medical equipment, aircraft, robotics and renewable energy.

In order to capture such demand, we will work to further expand our business areas via "Change in Business Style" by thoroughly applying IoT, cloud computing, AI and robotics in all aspects, while promoting "Full-Scale Globalization" and "Development of New Business Areas."

Along with these initiatives, we will press ahead with improving profitability and strengthening our financial position to raise our corporate value.

(3) Status of Accounting Auditor

1. Name: Grant Thornton Taiyo LLC

2. Amount of Compensation of the Accounting Auditor Pertinent to the Fiscal Year under Review:

	(Millions of Yen)
	Amount of Compensation
1. Amount of compensation as the accounting auditor for the current fiscal year	96
2. Total sum of monies or money equivalent to be paid by the Company and its subsidiaries to the accounting auditor	98

Notes: 1. In line with the “Practical Guidelines on the Alliance with Accounting Auditors” announced by the Japan Audit & Supervisory Board Members Association, the Audit and Supervisory Committee of the Company checked and verified the Accounting Auditors’ actual performance by audit item in the accounting audit plan for the previous fiscal year and hours spent for auditing each tier, the transition in the amounts of compensation paid to the Accounting Auditors and the status of execution of duties by the Accounting Auditors. Based on such verification, the board inspected the Accounting Auditors’ accounting audit plan for the current fiscal year and the adequacy of the amounts of compensation. As a result, the Board of Auditors gave consent under Article 399, Paragraphs 1 and 3, of the Companies Act.

2. Under the audit agreement between the Company and the accounting auditor, the Company does not classify the amount of auditing compensation for the audit set forth in the Companies Act and the audit set forth in the Financial Instruments Exchange Law. Therefore, the amount shown in 1. above includes auditing compensation under the Financial Instruments Exchange Law.

3. Matters Related to the Audit of the Financial Statements of Important Consolidated Subsidiaries

Of the Company’s important subsidiaries, 20 subsidiaries including THK America, Inc. were audited by certified public accountants or audit firms other than the Company’s Accounting Auditor, Grant Thornton Taiyo LLC.

4. Description of Non-Audit Activities

The Company entrusts the Accounting Auditor with “advisory services in relation to the adoption of International Financial Reporting Standards (IFRS),” which are services other than those provided for in Article 2, Paragraph 1, of the Certified Public Accountants Act (non-auditing services), and pays the Accounting Auditor for such advisory services.

5. Policy for Determining Dismissal and Non-Reappointment of Accounting Auditors

The Audit and Supervisory Committee, if it considers it necessary, such as in the case where the performance of the accounting auditor’s duties is hindered, decides the details

[Translation for Reference and Convenience Purposes Only]

of the proposal for the dismissal or non-reappointment of the accounting auditor to be presented to the General Meeting of Shareholders.

In addition, if it is considered that the accounting auditor comes under any of the items of Article 340, Paragraph 1, of the Companies Act, the accounting auditor will be dismissed with the consent of all Audit and Supervisory Committee Members. In this case, the Audit and Supervisory Committee Member selected by the Audit and Supervisory Committee will report the dismissal of the accounting auditor and the reason for such dismissal at the first General Meeting of Shareholders held after such dismissal.

(4) Systems to Ensure the Adequacy of Operations and the Status of Operation of Such Systems

[Basic Policy for the Internal Control System]

The following is an overview of decisions concerning the systems to ensure compliance with applicable laws and regulations and the Company's Articles of Incorporation in Directors' business executions and other systems to ensure adequacy in the Company's business operations.

This policy was determined by resolution of the meetings of the Board of Directors held on June 18, 2016 and March 18, 2017, based on the Company's transition to a company with an Audit and Supervisory Committee and the review of audit activities.

1. Structures for ensuring that directors' and employees' execution of their respective duties at the Group complies with laws and regulations and the Articles of Incorporation

To ensure that the Group's executives and employees comply with laws and regulations and the Articles of Incorporation and perform their respective duties under sound social norms, the Company establishes the "THK's Basic Policy" and "THK Group Charter of Behavior," and familiarizes its executives and employees with the policy and the charter. By repeatedly communicating the spirit of the policy and the charter to the Group's executives and employees, the Representative Director and President ensures that all corporate activities are predicated on compliance with laws and regulations. In addition, "Directions for THK Group Employees," a booklet containing the "THK's Basic Policy" and "THK Group Charter of Behavior," is distributed to all executives and employees of the Group companies with the intent to instill corporate ethics and compliance with laws and regulations. Furthermore, a Compliance Committee, chaired by the Representative Director and President, and a Compliance Subcommittee, consisting of representatives from all operations divisions, are established to ensure that compliance and corporate ethics form the basis of all our corporate activities. The Compliance Committee, whose members include external experts, establishes a company-wide compliance structure, identifies problems, and provides instructions for improvement. The "THK Helpline" is established and operated as a means to enable our executives and employees to directly provide information regarding any legally questionable act on a confidential or anonymous basis to external experts and the internal department(s) in charge of the matter in question.

2. Matters related to the preservation and management of information regarding directors' execution of their duties

The Company records and preserves information on the directors' execution of their duties in documents or electromagnetic media (hereinafter called "the documents, etc.") in accordance with the Document Management Regulations. The directors may view the documents, etc. at any time.

3. Regulations and other structures concerning the management of risk of loss for the Group

The departments of the Company in charge of compliance, environment, disasters, quality, information security, export control, risks related to new strains of influenza, etc. shall conduct activities such as establishing rules and guidelines, conducting education

[Translation for Reference and Convenience Purposes Only]

and training, and preparing and distributing manuals, while the Risk Management Division shall monitor the status of cross-sectional risks and company-wide responses. For any risk that has newly arisen, the Board of Directors shall promptly appoint a director or executive officer who serves as the response manager. In addition, to ensure continuity of our business in the case of a large-scale earthquake, the Group formulates a business continuity plan (BCP) and familiarizes its executives and employees with the plan. The Company's Internal Audit Division conducts audit on the risk management system of each Group company.

4. Structures for ensuring that the duties of the Group's directors are efficiently executed

The Company's Board of Directors defines a company-wide objective to be shared among, and thereby be instilled in, the directors and employees, and defines a consolidated Mid-term Management Plan covering three fiscal years based on this objective. By introducing an executive officer system, the Company seeks to improve the management supervisory function of the Board of Directors and to clarify the roles and responsibilities related to the implementation of operations. In addition, the Company seeks to accelerate the process of making decisions and implementation of operations, and determines an efficient structure for implementing operations, which includes determination of specific measures and allotment of authorities for each division in order to achieve the objective. The Board of Directors establishes a system for achieving a company-wide streamlining of its operations by reviewing progress on a monthly and quarterly basis and facilitating improvement as necessary. The Group introduces an accounting system and a Group Finance system (cash management system) that are common to the Group companies with the aim of accelerating consolidated account closing work and streamlining fund management.

5. Structures for ensuring the appropriateness of operations at the Group

The Company establishes a Risk Management Division as a department in charge of internal control of the Group, and creates a framework that incorporates a system to efficiently conduct activities such as discussions on internal control among the Group companies, information sharing, and communication of instructions and requests. The directors of the Company and each president of the Group companies have the authority and responsibility to establish and operate an internal control system for each division. In addition, the Company's Internal Audit Division conducts internal audit of the Group, reports the audit results to the Board of Directors and each president of the Group companies, and reports any matter related to internal control to the Risk Management Division. In response to reporting from the Internal Audit Division, the Risk Management Division instructs the respective Group companies regarding measures to improve internal control and provides assistance and advice on the implementation of such measures as necessary. In addition, "Internal Control Regulations for Financial Reporting" for the Group companies are established, maintained and administered as a framework for ensuring the reliability of financial reporting.

6. Structures for reporting to the parent company regarding matters concerning the execution of duties by the subsidiaries' directors, etc.

[Translation for Reference and Convenience Purposes Only]

The Company periodically holds a “Global Business Strategy Meeting” attended by responsible personnel such as the Group’s directors and executive officers; in the meeting, such personnel responsible report on the status of operations and important matters. In addition, the Company establishes “Regulations for the Management of Affiliates” that oblige the subsidiaries to periodically report important information, such as their operating results and financial conditions, to the Company.

7. Structures pertaining to an employee being appointed upon request from the Audit and Supervisory Committee to assist the Committee, and matters related to ensuring the independence of said employee from the directors (excluding those who are Audit and Supervisory Committee members) and the effectiveness of instructions issued to said employee

The Company establishes an Audit and Supervisory Committee secretariat and assigns a dedicated employee to assist the performance of duties and smooth execution of duties by the Audit and Supervisory Committee.

The Company defines that the employee assigned to the Audit and Supervisory Committee secretariat shall exclusively perform operations related to the Audit and Supervisory Committee, shall not be subject to instructions and orders from directors who are not Audit and Supervisory Committee members, and shall follow instructions and orders from the Audit and Supervisory Committee. Decisions on matters pertaining to personnel change and other personnel affairs shall be made with the consent of the Audit and Supervisory Committee to ensure the independence from execution divisions and the effectiveness of instructions from the Audit and Supervisory Committee to the dedicated employee.

8. Structures for directors, etc. and employees of the Group, or persons who have received a report from such individuals, to report to the Company’s Audit and Supervisory Committee

The Group’s directors (excluding those who are Audit and Supervisory Committee members), executive officers, and employees respond promptly and adequately in the event that the Audit and Supervisory Committee requests a report on the businesses of the Company or conducts an investigation of operations and property.

The Group’s directors (excluding those who are Audit and Supervisory Committee members), executive officers, and employees report immediately to the Audit and Supervisory Committee if facts that may cause significant damage to the Group, such as a violation of laws and regulations, are discovered.

The Internal Audit Division reports the results of internal audit and the status of other activities conducted for the Group upon request from the Audit and Supervisory Committee.

The Risk Management Division reports the details of internal reports received via the THK Helpline and the details of reports related to compliance for the Group to the Audit and Supervisory Committee upon request.

In order to ensure that the Basic Policy functions effectively, the Internal Audit Division and the Risk Management Division periodically report to the Board of Directors regarding the development and performance of matters specified in the Basic Policy.

[Translation for Reference and Convenience Purposes Only]

9. Structures for ensuring that a person reporting to the Audit and Supervisory Committee is protected from being unfavorably treated on the grounds that he/she has made such a report

The Company prohibits the directors (excluding those who are Audit and Supervisory Committee members), executive officers, and employees from unfavorably treating a person directly reporting to the Audit and Supervisory Committee on the grounds that he/she has made such a report.

10. Matters relating to policy concerning procedures for advance payment or reimbursement of expenses incurred in the execution of duties of a director who is an Audit and Supervisory Committee member, and treatment of other expenses or debts incurred in the execution of such duties

If a director who is an Audit and Supervisory Committee member claims against the Company for reimbursement of any expense incurred in the execution of his/her duties, the Company shall promptly reimburse him/her for such expense or debt, unless such expense or debt is deemed unnecessary for the execution of duties of said director who is an Audit and Supervisory Committee member. In addition, the Company sets aside a budget for a certain amount every year for expenses that may be incurred in the execution of duties by the directors who are Audit and Supervisory Committee members. If a director who is an Audit and Supervisory Committee member independently requests the use of external experts in executing his/her duties (limited to those related to the execution of duties of the Audit and Supervisory Committee), the Company shall bear such expenses unless such duties are unnecessary for the execution of duties of said director who is an Audit and Supervisory Committee member.

11. Structures for ensuring that audit by the Audit and Supervisory Committee is conducted effectively

The Company establishes a system that enables the Audit and Supervisory Committee to periodically exchange opinions and seek close coordination with the Representative Director and President, the directors (excluding those who are Audit and Supervisory Committee members), executive officers, and the Accounting Auditors. In addition, the Company establishes a system that enables the Audit and Supervisory Committee to hold periodic meetings with the auditors of subsidiaries and seek close cooperation with them.

[Status of Operation of the Internal Control System]

1. A structure for ensuring that the directors' and employees' execution of their respective duties at our Group comply with laws and regulations and the articles of incorporation

The Company established the "THK Basic Policy" and the "THK Charter of Corporate Behavior" and has disseminated such policies by distributing the "THK Code of Conduct Handbook" and has provided related education and guidance to ensure that officers and employees comply with applicable laws, regulations and the Articles of Incorporation and perform their duties under sound social norms. Also, during the current consolidated fiscal year, the Company held four meetings of the Compliance Committee, which is chaired by the Representative Director and President, to understand the status of operation of the compliance system and strive to further

[Translation for Reference and Convenience Purposes Only]

improve the system. In addition, the Company has established and operates the “THK Helpline,” which is available for use by officers and employees of THK Group companies in Japan.

2. Matters related to the preservation and management of information regarding the directors’ execution of their duties

The Company records and appropriately preserves information on directors’ execution of their duties, such as minutes of the Board of Directors meeting, in documents or electromagnetic media in accordance with the Document Management Regulations and the Security Control Regulations.

During the consolidated fiscal year under review, the Company held the Information Security Committee meeting, chaired by the Representative Director and President, four times in total, in an effort to build up, penetrate and firmly establish the information security system to implement proper use and management of information.

3. Regulations and other structures concerning the management of risk of loss for our Group

To address the operational risks, the Company has established rules and guidelines and prepared manuals. The Risk Management Office of the Company has been monitoring the status of risks across the board conducting companywide risk monitoring and measures. In cases when an unpredicted situation occurs, such as a disaster or an accident, the Risk Management Office has quickly collected information, notified related sections and provided instructions. In addition, the Company has formulated a business continuity plan (BCP), under which an adequate level of emergency supplies has been secured and regular training has been conducted.

4. A structure for ensuring that the duties of our Group’s directors are efficiently executed

During the current consolidated fiscal year, the Company held 15 meetings of the Board of Directors to decide important items and monitor the status of business execution. To prepare the consolidated financial statements more quickly and make cash management more efficiently, the Company is working to adopt a Group-wide common accounting system and group finance (cash management system).

5. Structures for ensuring the appropriateness of operations at our Group

The Risk Management Office of the Company has been facilitating the improvement and operation of the internal controls within the Group, collecting information related to the internal controls, conducting related discussion efficiently, sharing information and communicating its instructions and requests. The Company’s Internal Audit Office has conducted the internal audits of the Group to check whether the business execution activities were conducted in accordance with the intended purposes, efficiently and in compliance with laws. The results of such audits have been reported to the Representative Director and President. Moreover, to ensure the reliability of financial reports of the Group, based on the “internal control regulations for financial reports,” the Company has been improving and operating the relevant control system.

[Translation for Reference and Convenience Purposes Only]

6. A structure for reporting to the parent company regarding matters concerning the execution of the duties of our subsidiaries' directors, etc.

During the current consolidated fiscal year, the Company held a total of 12 Global Management Strategy meetings and Executive Officers' meetings, attended by the Directors and Executive Officers of the Group, to receive reports on the status of business operation of the entire Group and other important matters. The Company also formulated its "Group Companies Management Rules," thereby collecting important information of the group companies such as sales performance and the financial position of the group companies.

7. A structure for cases where the Audit and Supervisory Committee orders an employee to be appointed as its assistant, and matters related to ensuring the independence of the employee from Directors (excluding Directors who are Audit and Supervisory Committee Members) and the effectiveness of the Audit and Supervisory Committee's instructions to the employee

The Company has established the Audit and Supervisory Committee secretariat to assist the duties of the Audit and Supervisory Committee and support the smooth execution of their duties, and appointed a dedicated employee for this purpose. The employee assigned to the Audit and Supervisory Committee secretariat exclusively performs tasks related to the Audit and Supervisory Committee, and decisions on personnel matters including personnel transfer related to such employee will require the consent of the Audit and Supervisory Committee.

8. A structure for an employee or director, etc. of the Group, or a person who has received a report from one of the aforementioned individuals, to report to the Audit and Supervisory Committee

The Company has stipulated in the THK Helpline Regulations that it can report on the status and content of reporting from the THK Helpline, which is available for use by officers and employees of the domestic Group companies, to the Audit and Supervisory Committee. The content of internal reports received through the THK Helpline is reported to the Compliance Committee meeting, which the Representative Director and President as well as Directors who are Audit and Supervisory Committee Members attend.

When the Audit and Supervisory Committee requests a report, the Company reports on the results of internal audit and the status of other activities, the content of internal reports received through the THK Helpline and the content of reports on compliance. In addition, the Company periodically reports on the status of development and operation of matters stipulated in the Basic Policy for Internal Control at the Board of Directors meeting.

9. A structure for ensuring that a person reporting to the Audit and Supervisory Committee is protected from being unfavorably treated on the grounds that he/she has made such a report

The Company has stipulated in the THK Helpline Regulations that officers and employees of the Company shall not be treated in a disadvantageous way on the grounds of making such report.

[Translation for Reference and Convenience Purposes Only]

10. Matters related to our policy concerning procedures for advance payment or reimbursement of expenses incurred in the execution of a duty of a Director who is an Audit and Supervisory Committee Member and treatment of other expenses or debts incurred in the execution of such duty

The Company allocates a budget to pay for expenses incurred by the execution of duties by Directors who are Audit and Supervisory Committee Members and quickly process such expenses and obligations when Directors who are Audit and Supervisory Committee Members requested the Company to pay for such expenses. If a director who is an Audit and Supervisory Committee member independently requests the use of external experts in executing his/her duties (limited to those related to the execution of duties of the Audit and Supervisory Committee), the Company shall bear such expenses unless such duties are unnecessary for the execution of duties of said director who is an Audit and Supervisory Committee member.

11. Structures for ensuring that audits by the Audit and Supervisory Committee are effectively conducted

The Company holds meetings where the Audit and Supervisory Committee exchanges opinions with Representative Director and President, principal Directors (excluding Directors who are Audit and Supervisory Committee Members), and Executive Officers. In addition, the Company held a three-way audit liaison meeting between the Audit and Supervisory Committee, Accounting Auditor and Internal Audit Division, as well as Outside Directors (excluding Directors who are Audit and Supervisory Committee Members) three times in total during the consolidated fiscal year under review. In addition, the Company established a system to ensure that audits by the Audit and Supervisory Committee are carried out effectively by holding a total of 10 meetings of the Board of Auditors of the Group to promote close cooperation between the Audit and Supervisory Committee and Auditors of the Company's subsidiaries.

Outline of the Corporate Governance Framework

Based on its management philosophy, the THK Group is striving to improve its corporate value over the medium to long term by working to enhance corporate governance from the viewpoint of maximizing corporate value.

The outline of THK's corporate governance framework is as follows:

Transition to a company with an Audit and Supervisory Committee

- Directors (three (3) Outside Directors) who are members of the Audit and Supervisory Committee, which is responsible for the auditing and supervisory functions, exercise voting rights at the Board of Directors meetings.
- The Audit and Supervisory Committee implement audit and supervision on the status of execution of duties of Directors and Executive Officers, etc., through the Internal Control System.

Establishment of the Nomination Advisory Committee and the Remuneration Advisory Committee

- Each committee, functioning as an advisory body to the Board of Directors, examines and deliberates on nomination of Director candidates and remuneration plan for Directors, and the content of deliberation is deliberated and resolved at the Board of Directors.

Introduction of the Executive Officer System

- To clarify the roles and responsibilities of business execution and expedite business execution

(5) Basic Beliefs towards the Elimination of Anti-Social Forces and the Degree of the Introduction of Necessary Steps

The Company has established its own system which aims to remove anti-social forces as below:

- A. The Company has declared in the “THK Basic Policy” that it shall “take a firm stance against anti-social forces.”
- B. The Company, as a member of the “Liaison Council of Tokyo Metropolitan Policy’s Anti-Crime Syndicate (the “Council”),” collects information at monthly meetings hosted by the Council and on other occasions. In addition, the Corporate Strategy Headquarters is engaged in the management of relevant information in an integrated manner.
- C. If the Company receives an inappropriate demand from anti-social forces, the Corporate Strategy Headquarters and the Risk Management Office are to respond to it. In so doing, staff at the Corporate Strategy Headquarters and the Risk Management Office who have participated in lectures and other courses of the Council will respond to such a matter while in conjunction with the police station under the jurisdiction and so forth, and will take resolute steps such as resorting to legal means through our corporate lawyers as necessary.
- D. In order to extirpate transactions with companies that have relations with anti-social forces, the Company strives to conclude a Memorandum of Understanding regarding extirpation of transactions with anti-social forces with our business partners.

(6) Basic Policies on Control of the Company

Based on its management philosophy of “providing innovative products to the world and staying abreast of new trends to contribute to the creation of an affluent society,” the Company has formulated the “THK Basic Policy” consisting of three policies: 1) Creation of Value and Contribution to the Society, 2) Customer-Oriented Mind-Set and 3) Legal Compliance. The Basic Policy serves as the fundamental ethics that supersede all internal regulations and codes of conduct.

Under this Policy, the Company engages in business operations in order to create values beneficial to society by utilizing various management resources. In other words, the Company aims to expand corporate value through creative product development and exclusive production technology as a creative and developmental corporation while conducting fair and safe business operations; building strong relationships with customers, shareholders and local communities; and fulfilling its responsibility as a member of society through environmental conservation and prompt, proper and just information disclosure. The Company believes that it cannot raise its corporate value and the common interests of shareholders without fulfilling its social responsibility. At the same time, the Company aims to gain customers’ trust by thinking from their perspective, always treating them with integrity, and offering the best products and services. The Company believes that such efforts help us earn the trust of shareholders and other stakeholders, resulting in an appropriate gain of profits. Earning trust thereby earning profits is the way to achieve the sustainability of the Company. We direct

[Translation for Reference and Convenience Purposes Only]

profits earned in this way to new investments and the creation of new products and services, thereby, we believe, earning further trust from customers.

The Company has so far earned the trust of customers and of various kinds of stakeholders, including shareholders, through offering creative ingenious technologies and customer-oriented products and services based on the aforementioned beliefs.

Accordingly, the Company is fully convinced that it can achieve the common interests of shareholders, that is, to enhance corporate value and further growth, only by further refining its originality and offering even higher-quality and customer-oriented products and services.

From such perspectives, the Company's growth and rise in corporate value cannot be achieved without the support of shareholders that share the same beliefs—the same ideas that have supported the past growth of the Company and improvement of the Company's corporate value—regardless of the size of their stakes. If shareholders with such perspectives increase, that will help further improve the Company's corporate value and leverage its growth. Accordingly, the Company intends to strive to gain their lasting support and understanding.

With regard to specific measures to address any party that might emerge to attempt a large-scale acquisition of the Company's stocks solely for their own profit, ignoring the sacrifice of other shareholders, not considering the growth of the Company's corporate value and conflicting with the basic beliefs described above, the Company will continue careful consideration. When a clear plan and specifics to address such events is ready, we will present it to the shareholders and ask their opinion.

Accounting Audit Report on the Consolidated Financial Statements

AUDIT REPORT BY INDEPENDENT AUDITOR

May 15, 2017

To the Board of Directors of THK CO., LTD.

Grant Thornton Taiyo LLC

Designated	Certified Public	Keita Tajiri (Seal)
Executive Employee	Accountant	
Designated	Certified Public	Makio Wada (Seal)
Executive Employee	Accountant	

In accordance with the provisions of Article 444, Paragraph 4, of the Companies Act, we audited the consolidated financial statements of THK CO., LTD., consisting of the consolidated balance sheet, consolidated statement of income, statement of changes in consolidated shareholders' equity and notes on the consolidated financial statements covering the consolidated fiscal year from April 1, 2016, to March 31, 2017.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in Japan, and for designing and operating such internal control as management determines is necessary to enable the preparation and fair presentation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in Japan. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected and adopted depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Audit Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position and results of operations of THK CO., LTD., which consisted of the Company and consolidated subsidiaries, applicable to the fiscal year under review in conformity with accounting principles generally accepted in Japan.

Emphasis of Matter

As described in “Changes in accounting policies that are difficult to distinguish from changes in accounting estimates” in Notes to the Consolidated Financial Statements, for depreciation of tangible fixed assets (excluding lease properties), the Company and its domestic consolidated subsidiaries mainly adopted the declining-balance method, while some of its consolidated subsidiaries in the U.S. mainly adopted the accelerated depreciation method. From the consolidated fiscal year under review, however, the straight-line method has been adopted.

The above matter does not affect the auditor’s opinion.

Interest

There is no relation of interests between the Company and the auditing firms stated above or any participating partners thereof, as is required to be stated under the Certified Public Accountant Law.

Accounting Audit Report on the Financial Statements

In accordance with the provisions of Article 436, Paragraph 2, No. 1, of the Companies Act, we audited the financial statements of THK CO., LTD., consisting of the balance sheet, statement of income, statement of changes in shareholders' equity, notes to the non-consolidated financial statements and supplementary schedules covering the 47th fiscal year from April 1, 2016, to March 31, 2017.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements and the related supplementary schedules in accordance with accounting principles generally accepted in Japan, and for designing and operating such internal control as management determines is necessary to enable the preparation and fair presentation of the financial statements and the related supplementary schedules that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statements and the related supplementary schedules based on our audit. We conducted our audit in accordance with auditing standards generally accepted in Japan. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and the related supplementary schedules are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements and the related supplementary schedules. The procedures selected and adopted depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements and the related supplementary schedules, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements and the related supplementary schedules in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements and the related supplementary schedules.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Audit Opinion

In our opinion, the financial statements and the related supplementary schedules referred to above present fairly, in all material respects, the financial position and results of operations of the THK CO., LTD., applicable to the fiscal year under review in conformity with accounting principles generally accepted in Japan.

Emphasis of Matter

As described in “Changes in accounting policies that are difficult to distinguish from changes in accounting estimates” in Notes to the Non-Consolidated Financial Statements, for the depreciation of tangible fixed assets (excluding lease properties), the Company mainly adopted the declining-balance method, but has adopted the straight-line method from the fiscal year under review.

The above matter does not affect the auditor’s opinion.

Interest

There is no relation of interests between the Company and the auditing firms stated above or any participating partners thereof, as is required to be stated under the Certified Public Accountant Law.

Audit Report by the Audit and Supervisory Committee

AUDIT REPORT

We, the Audit and Supervisory Committee (the “Committee”), audited the execution of duties of the Directors during the Company’s 47th fiscal year starting from April 1, 2016, and ended on March 31, 2017. The auditing method and details of audits are as described below.

1. Auditing Method and Content of Audits Performed

Regarding the content of the resolution of the Board of Directors relating to matters stipulated in Article 399-13, Paragraph 1, No. 1-B and C of the Companies Act of Japan and the system developed pursuant to such resolution (internal control system), the Committee received reports from Directors, Executive Officers, and employees concerning the status of the establishment and operation of such system, sought explanation as necessary, and expressed opinions. In addition, we carried out audits according to the following method:

- 1) The Committee, working in coordination with the Company’s Internal Audit Office and departments in charge of internal control in accordance with the Audit and Supervisory Committee’s Auditing Standards specified by the Committee and following the auditing policy and allocation of tasks, attended important meetings, received reports from directors, executive officers, and employees concerning matters relating to the execution of their duties, sought explanation as necessary, inspected important decision-making documents, etc., and investigated the status of operations and assets at the Company’s Head Office and principal offices. As for subsidiaries of the Company, the Committee communicated and exchanged information with directors and audit and supervisory board members, etc. of subsidiaries, and received reports on business from subsidiaries as necessary. In addition, the Committee held its meetings on a monthly basis and deliberated on matters for resolution and sought to share information. Furthermore, the Committee held a meeting separately from the Committee meeting once a month to complement the Committee meeting, and conducted information sharing, exchange of opinions, and deliberations on various matters, as well as seeking to collect information. The Committee also delivered opinions to the Directors on the results of its audit activities as necessary.
- 2) For the basic policy of the Enforcement Regulations of the Companies Act, Article 118, No.3-A, as described in the Business Report, auditors examined the contents of the policy based on the status of deliberations at the Board of Directors meetings, etc.
- 3) Auditors monitored and inspected whether the independent auditors maintained their independence and appropriateness in their implementation of audits, received reports from accounting auditors concerning their execution of duties and requested explanations when necessary. Furthermore, we received the notice stating to the effect that the “System to Ensure Appropriate Execution of Duties” (various provisions stated in Article 131 of the Corporate Accounting

Regulations) is prepared in accordance with the “Quality Control Standards Concerning Audits” (Business Accounting Deliberation Council, October 28, 2005) and requested explanations when necessary.

Based on a resolution by the 46th Ordinary General Meeting of Shareholders, the Company transitioned from a company with a board of auditors to a company with an audit and supervisory committee during the period. Accordingly, the Committee conducted audits by receiving reports from the former Auditors on audit matters during the period from the start of the 47th fiscal year to the conclusion of the 47th Ordinary General Meeting of Shareholders, as well as by inspecting the minutes and materials of the meetings of the Board of Auditors held during said period.

In accordance with the approach explained above, we reviewed the business reports and supplementary schedules thereof, the financial statements (balance sheet, statement of income, statement of changes in shareholders’ equity and notes to the financial statements) and the supplementary schedules thereof, as well as the consolidated financial statements (consolidated balance sheet, consolidated statement of income, consolidated statement of changes in shareholders’ equity and notes to the consolidated financial statements) for the fiscal year under review.

2. Results of the Audit

(1) Audit Results for the Business Report, etc.

- 1) We are of the opinion that the content of business reports and supplementary schedules comply with laws and regulations and the Articles of Incorporation and fairly reflect the state of the Company.
- 2) We determined no improper acts or material breaches of laws and regulations or the Articles of Incorporation in the execution of duties by Directors.
- 3) We are of the opinion that the content of the Board of Directors resolutions pertaining to the Internal Control System is appropriate. In addition, we did not identify anything that requires comment with regard to execution of duties by directors concerning said Internal Control System.
- 4) We are of the opinion that the Company’s basic policy regarding persons who control decision making on the Company’s financial and business policies, as described in the Business Report, is appropriate.

(2) Audit Results for the Financial Statements and Supplementary Schedules

We are of the opinion that the audit methods and results of Grant Thornton Taiyo are appropriate.

(3) Audit Results for the Consolidated Financial Statements

We are of the opinion that the audit methods and results of Grant Thornton Taiyo are appropriate.
