		Feb. 2019					
	Second Half Total						
	Fiscal Year Total						

\*Figures for net sales indicate the year-on-year comparison

\*Figures in parenthesis indicate the number of franchise stores

**[Monthly comment]**

In August, net sales totaled 99.0% for existing stores compared to previous year and 107.3% for all stores. While sales of home appliances grew steadily following July with the heat wave in the background, fashion items fell below figures for the previous year, and due to the fact that there were one less holiday in August compared from previous year, net sales for existing stores decreased year-on-year.
