# Results for FY2018 Forecast for FY2019 Dividend and Payout Ratio 

Representative Director \& President Ichiro Sasaki

## Main Points of Results for FY2018

## Results for FY2018

$\checkmark$ Sales and profits remained solid. Operating profit hit a record high.

- Both IJP and LBP are making a steady shift to a high-profitability model, and profitability continues to improve.
- In the United States, premium sewing and embroidery machines were a major hit, contributing to profits.
- Sales of machine tools were affected by U.S.-China trade friction, and sales to China were down sharply.
- In the Domino business, losses on retirement of some development assets were reported as a result of reviews of some development projects.

## Forecast for FY2019

$\checkmark$ Business segment profit is expected to decrease, primarily as a result of negative effects from exchange rates.

- P\&S is expected to maintain or expand profitability as new business models expand.
- Results for machine tools are expected to recover in the second half of the fiscal year.
- New models are expected to be introduced in the Domino business.
