Transactions of which the Company is unable to verify the actual existence

During the tax examination process that was conducted on NS Solutions Corporation (the "Company") in mid-November of 2019, questions arose with respect to the actual existence of certain of the Company's recorded purchase and resale of goods transactions. Due to this situation, the Company established a Special Investigation Committee and investigated this matter. As a result, transactions of which the actual existence cannot be verified have been ascertained. Therefore, the Company has cancelled such transactions, and has recorded the deposits and withdrawals related thereto as temporary receipts of 46,404 million yen and temporary payments of 43,478 million yen, respectively, and has also recorded the net amount of 2,926 million yen as other non-current liabilities.

In addition to the above, there were matters in relation to which orders were received and/or issued but not yet processed. Such matters may affect the Company's financial condition and operating results depending on their future circumstances.
